Devon respectfully requests that additional time be granted, beyond the original ninety days, to permanently plug and abandon the subject well due to time constraints in acquiring a workover rig. The contractor, who was awarded the bid to P&A the well, has stated they will be unable to provide a workover rig for +30 days. It is therefore requested that an additional forty-five days be allotted before plugging operations commence.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
