To whom it may concern:

I made a field check on 10/12/92 to verify the location of the A.J. Adkins #9 in Lea Co., New Mexico. I checked the well location with the field ties made by the Humble (Exxon) Crew when the well was originally staked and verified the location as being 1650' FNL and 990' FWL of section 10 T-21-S, R-36-E Lea Co., New Mexico.
