Gentlemen:

This is to advise that on February 6, 1985 the Arco Oil & Gas Company Sarkeys #5 gas well located in Unit 0 of Section 23, Township 21 South, Range 37 East Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined.

This disconnection was due to well being recompleted to an oil zone.

Yours truly,
