Re: Temporary Exception for Separate Measurement of Gas
Northeast Drinkard Unit #305-R Sec. 3, T21S, R37E
Northeast Drinkard Unit #405-B Sec.10, T21S, R37E
Northeast Drinkard Unit #920-J Sec.23, T21S, R37E

Gentlemen:

Based upon your recent review of the completion of unit wells in the gas zones and the fact the the GOR of these wells do not classify them as gas wells according to the Tubb or Blinbry pool rules temporary permission is granted to produce gas from these wells through your battery pending your hearing for approval of this request.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
