P.O. Box 1980
Hobbs, NM 88240

Attn: Jerry Sexton

Dear Mr. Sexton:

We have recently tested our Hat Mesa #1, 14-21-32 and found it was making 1/2 barrel of water a day. We will dispose of the water in a fenced surface pit.

As you know, the current OCD regulations allow up to a maximum of one barrel per day to be disposed of in this manner.

Very truly yours,

NEW TEX OIL COMPANY
