Gentlemen:

This is to advise that on February 7, 1975 the Dorchester Explorations' Wilson State #1 Morrow gas well located in Unit I of Section 13, Township 21, Range 34, Eddy County, New Mexico was disconnected from El Paso Natural's gathering system.

This disconnection was due to the expiration of El Paso Natural's purchase contract.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT

Travis R. Elliott
