Re: State 12 Well No. 1
Unit G Section 12, T-21-S, R-34-E
Lea County, New Mexico

Gentlemen:

Based on the information submitted for the subject well, it is the decision of this office that it should be classified as an oil well in the Wilson Strawn Oil Pool, rather than as a gas well as indicated on the Form C-104.

Since the Wilson Strawn Oil Pool is on 40 acre spacing, it will be necessary for you to submit two copies of a revised Form C-102, Acreage Dedication Plat, outlining a 40 acre proration unit for the well.

Yours very truly,

OIL CONSERVATION DIVISION
