

NEW MEXICO OIL CONSERVATION COMMISSION  
WELL LOCATION AND ACREAGE DEDICATION PLAT

Form O-101  
Supersedes O-128  
Effective 1-1-65

All distances must be from the outer boundaries of the section.

|                                                                                            |                                 |                   |                             |            |          |
|--------------------------------------------------------------------------------------------|---------------------------------|-------------------|-----------------------------|------------|----------|
| GULF OIL COMPANY                                                                           |                                 |                   | Lease# West Brunson Federal |            | Acres 1  |
| Section 0                                                                                  | Section 19                      | Township 21 South | Range 37 East               | County Lea |          |
| Actual Location of Well:<br>660 feet from the south side and 1980 feet from the east side. |                                 |                   |                             |            |          |
| Actual Depth in Feet 3507.1                                                                | Producing Formation Ellenburger |                   | Well Name Wildcat           |            | Acres 40 |

- Outline the acreage dedicated to the subject well by colored pencil or hatchure marks on the plat below.
- If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
- If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

☐ Yes ☐ No If answer is "yes" type of consolidation \_\_\_\_\_

If answer is "no" list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.) \_\_\_\_\_

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.

CERTIFICATION

I hereby certify that the information contained herein is true and complete to the best of my knowledge and belief.
