Gentlemen:

This is to advise that on December 15, 1982 the TXO Production Corp.'s South Wilson State Com. #1 ~~1-2~~ Morrow gas well located in Unit J of Section 14, Township 21S, Range 34E, ^{Sa}ddy County, New Mexico was disconnected from El Paso's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of the well to produce into El Paso's South Carlsbad G/S. Meter #58-037-01, Site Code #25906-01.

Yours truly,

PERMIAN DIVISION DISPATCHING DEPARTMENT
