Gentlemen:

I have examined the application dated _____
for the Burleson + Huff Marshall #1-P 11-21-36
Operator Lease and Well No. Unit, S-T-R

and my recommendations are as follows:

Does not meet the requirement of Rule
104-II — paragraphs b, c or d not met.
b. — requires all acreage Dedication to be within
one section — C & D operators reportedly notified,
no return acknowledgment or registered slips submitted —
Recommend hearing at this time —

Yours very truly,
