1. Outline the acreage dedicated to the subject well by reference to the bearings and the plat hereon.
2. If more than one lease is dedicated to this well, give number and acreage of each lease and state whether it is an oil, gas, or combined lease, and interest and royalty.
3. If more than one lease of different acreage is dedicated to this well, give number and acreage of each lease and state whether it is an oil, gas, or combined lease, and interest and royalty.

Answer to Question No. 1: Here is the description of the land:

If answer is "No" list the owner's name, the date of the lease, and the acreage of the land, and if necessary, the location of the well.

If a well is not located on the well site, state the date of the lease, the acreage of the land, and the location of the well, or otherwise for until a well is located on the well site.
