

This form is to be filed with the appropriate District Office of the Commission not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by a copy of all electrical and radioactivity logs run in the well and a summary of all special tests conducted, including drill stem tests. All depths shall be measured depths. In the case of conventionally drilled wells, true vertical depths shall also be reported. For multiple completions 30 through 34 shall be reported for each completion. This form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.
