Eumont Queen Gas
SUBJECT: 160-acre NSP for Conoco Meyer A-1 #18-K(8-21-37)

The 160-acre NSP (SW/4 Sec. 8) was originally dedicated to the Conoco Meyer A-1 #3-M and was grandfathered in under the gas pool rules approved by R-520 in 1954.

The Conoco Meyer A-1 #3 well went into the Chevron Eunice Monument South Unit (Eunice-Monument GB/SA Pool) and the Eumont zone was abandoned. The Eumont zone was replaced by the Conoco Meyer A-1 #18-K (8-21-37).
