Re: State "P" #6

Dear Evelyn:

Please find enclosed a new C-104 for the above referenced well. I have added as much additional information as I have been able to accumulate. I am presently communicating with Martin Muncy with Metex Drilling Company, who believes he can furnish me with a complete well file.

If you have any questions or if I can be of any further assistance, please don't hesitate to contact me. Thank you for your cooperation in this matter.

Yours very truly,
