Re: Request for Gas Connection Notice  
Conoco Inc. Meyer B-17 Well #3-P  
Sec. 17, T21S, R36E  
Eumont Y-SR-Qu Pool

Gentlemen:

This is our third request for a gas connection notice for this well. Conoco Inc. has advised that the well was connected November 9, 1988, and the gas proration schedule indicates you accepted delivery through your system in November, but we have not received a gas connection notice from you.

Please comply with Rule 5(b)1 of general rules for prorated gas pools in New Mexico as established by R-8170 and furnish a gas connection notice for this well.

Very truly yours,

OIL CONSERVATION DIVISION
