Re: Change in Pool Designation  
Federal "31" Well #1 (2310/S & 660/E)  
Unit I, Sec. 31, T21S, R32E  
Lea County, NM

Gentlemen:

After a review of the well logs for the above-referenced well it is concluded that the well is producing from the Morrow.

Please make the change in pool designation for this well from Wildcat-Atoka to BILBREY MORROW GAS.

Very truly yours,

OIL CONSERVATION DIVISION
