RE: Site Change Notification

In response to your certified mail no. Z 766 603 109 dated October 26, 1994, please be advised that the portable natural gas compressor package within Lea County, New Mexico has been relocated to Section 34, Township 21 South, Range 32 East, at the Maralo, Inc. battery of the Bilbrey "34" Federal Lease, Well #1, as shown on the enclosed schematic.

There have been no changes in the method of operation which may constitute a modification of the existing determination.

If you have any further questions please call me in Midland at (915) 684-7441.

Sincerely,

A handwritten signature in cursive script, appearing to read "Dorothea Logan".
