RE: UNORTHODOX LOCATION AND NON-STANDARD PRORATION UNIT
J. K. Rector Well No. 6
Eumont Pool
Unit B, Section 31, T-21S, R-36E
Lea County, New Mexico

Gentlemen:

Texaco Exploration and Production Inc. respectfully requests an unorthodox well location and non-standard proration unit for the captioned property. The well was originally permitted as oil with a standard location and acreage dedication. Based on recent GOR tests, however, a reclassification to gas is warranted.

Attached is a copy of Form C-102 outlining the acreage to be dedicated to the subject well, a plat of the lease, and a list of offset operators that have been notified of this request by a copy of this letter.

Sincerely,

T. L. Frazier
Hobbs Area Manager
