Re: Application for Permit to Drill
Comanche "17" State Well #1
Unit G, Sec. 17, T21S, R33E

Gentlemen:

Your application for permit to drill the above-referenced well has been received. This proposed well is located in the Potash Area covered by R-111-P and we require that you notify the potash lessee, which is Eddy Potash in Carlsbad, New Mexico, even though the N/2 of Section 17 is not in the LMR area.

You may request a waiver from the potash lessee for our records, or we will have to wait 20 days after you have notified them by certified mail.

If you have any questions concerning this matter, please contact Evelyn Downs at (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION
