Re: **COMANCHE "17" STATE WELL NO. 1**
LEA COUNTY, NEW MEXICO

Dear Mr. Bridgforth:

By this letter, Mitchell Energy Corporation notifies you that it has made application with the New Mexico Oil Conservation Division for a permit to drill the above referenced well. The proposed location is 1880 feet from the north line and 1980 feet from the east line of Section 17, Township 21 South, Range 33 East. According to the Oil Conservation Division's records, this location is within the boundaries of your potash lease.

Please indicate below whether or not you have any objections to drilling the subject well at the proposed location, and return two copies of this letter to the undersigned. The third copy is for your files.

If you need further information, please contact me at (713) 377-5855.

Very truly yours,

MITCHELL ENERGY CORPORATION
