Burlington Resources requests an extension to the June 15, 2002 deadline to plug this well. You approved our intent to plug on May 29. However, our preferred plugging company, Triple N, will not be available to begin plugging this well until some time in July. Therefore, we request an extension to our plugging deadline to allow time for Triple N to provide this service. In addition, Triple N has expressed an interest in salvaging some of our equipment. We will provide an updated procedure for your approval after the modifications have been made.

Thank you for your consideration.

THE COMMISSION MUST BE NOTIFIED 24 HOURS PRIOR TO THE BEGINNING OF PLUGGING OPERATIONS FOR THE C-103 TO BE APPROVED.
