Attention: C. J. Affeld

Re: Administrative application for simultaneous dedication of Eumont gas production to the previously approved 160-acre non-standard gas spacing and proration unit comprising the SE/4 of Section 28, Township 21 South, Range 36 East, Eumont Gas Pool, Lea County, New Mexico (approved by Division Administrative Order NSP-272, dated June 27, 1956) from Chevron U.S.A., Inc.'s S. E. Fulton Wells No. 1, 2, 5, and 6.

Dear Mr. Affeld:

Since there are no clear procedures for administrative review, either contained in the Division's rules governing the Eumont Gas Pool or the stipulated declaratory judgement issued by the First Judicial District Court in Santa Fe County, New Mexico on December 15, 2000, for future infill gas wells that result in spacing of less than 160 acres per well on a proration unit, your application dated January 22, 2001 will be placed on the next available docket scheduled for hearing on March 8, 2001.

I have prepared the attached advertisement for this matter. Should you have any questions concerning this matter, please contact Mr. William F. Carr, Legal Counsel for Chevron U.S.A., Inc., in Santa Fe at (505) 988-4421.

Sincerely,

Michael E. Stogner
Chief Hearing Officer Engineer
