REMARKS _____ COMPANY Western Natural Gas Co.

SIGNED BY: R.N. McNeil

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the statistical analysis performed.

3. The third part of the document presents the results of the study, including a comparison of the experimental findings with the theoretical predictions. It also discusses the implications of the results for future research.

4. The fourth part of the document provides a summary of the key findings and conclusions of the study. It highlights the main contributions of the research and suggests areas for further investigation.

5. The fifth part of the document contains a list of references to the literature cited in the study. It includes both primary and secondary sources, as well as relevant books and articles.

6. The sixth part of the document is a detailed appendix that provides additional information and data related to the study. It includes a list of abbreviations, a glossary of terms, and a list of figures and tables.

7. The seventh part of the document is a list of acknowledgments, thanking the individuals and organizations that provided support and assistance during the course of the study.

8. The eighth part of the document is a list of appendices, providing a detailed description of the various components and materials used in the study.

9. The ninth part of the document is a list of references, providing a detailed description of the various sources of information used in the study. It includes a list of books, articles, and other publications.

10. The tenth part of the document is a list of appendices, providing a detailed description of the various components and materials used in the study. It includes a list of abbreviations, a glossary of terms, and a list of figures and tables.

11. The eleventh part of the document is a list of references, providing a detailed description of the various sources of information used in the study. It includes a list of books, articles, and other publications.

12. The twelfth part of the document is a list of appendices, providing a detailed description of the various components and materials used in the study. It includes a list of abbreviations, a glossary of terms, and a list of figures and tables.
