ADDRESS CORRESPONDENCE TO
MIDLAND TOWER BUILDING
MIDLAND, TEXAS

Mr. Roy Yarbrough
Oil Conservation Commission
State of New Mexico
Hobbs, New Mexico

Dear Mr. Yarbrough:

Due to the fact that the mineral interests on the Shipley No. 1 Well and the Shipley No. 2 Well are held by different owners, we would appreciate your changing the designation of the latter well from Shipley No. 2 to Shipley No. A-1 Well located in SW/4 NE/4 NW/4 of Sec. 27, T. 22S, R. 36E, South Eunice Field, Lea County, New Mexico.

Should it be necessary for us to file corrected copies of reports that have been submitted on this well or if there is a special form you would like for us to file for the change in designation, please let us know and we will be glad to comply with your wishes.

Very truly yours,

WESTERN NATURAL GAS COMPANY
