13. Describe Proposed or completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion of or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.

Due to the potential changes in operation of the waterflood, Breck Operating Corp. is proposing to perform a Mechanical Integrity Test on this well in preparation for requesting an extension of temporary abandon approval. We will pressure test casing to 500# for 30 minutes. Give BLM in Hobbs 24 hrs notice prior to pressure test. When completed, a successful pressure test will be submitted to request temporary abandon status.
