Attention: Mr. H. L. Johnston

Gentlemen:

Reference is made to your letter of June 24, 1955, in which you requested that your letter regarding the re-classification of your State A-32 Well No. 4 be disregarded.

This is to inform you that NSP-160 will be approved by this Commission on June 30, 1955. Effective the 1st. of July 1955, the State A-32 Well No. 4 will be re-classified and transferred from the South Eunice Oil Pool to the Jalmat Gas Pool and will appear on the gas proration schedule with a 160-acre unit allowable.

Thank you very much for your cooperation in this matter.

Very truly yours,

**C. M. Rieder
District Engineer**

Dear Sirs:
I am writing to you regarding the matter of the
conservation of the natural resources of the State of New Mexico.
It is my duty to inform you that the Commission has received
information regarding the proposed development of the
land in question. The Commission is of the opinion that the
proposed development is not in the best interests of the State
and its people. The Commission is therefore recommending that
the proposed development be denied.

I am sure that you will understand the Commission's position
and the reasons therefor. If you have any questions or
concerns, please do not hesitate to contact me at the
address given above. I am sure that we can reach a mutually
satisfactory arrangement.
