OIL CONSERVATION COMMISSION SANTA FE, NEW MEXICO

liscellaneous Reports on Wells

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work

ecified is completed. It should be signed and swon ons, results of shooting well, results of test of casi ons, even though the work was witnessed by an ag gned and sworn to before a notary public. See add	litional inst	i detions in the ri		115 01 0110 001	
Indicate natur	e of report	by checking belo	ow.
