Attn: Mr. Paul S. Johnston

Dear Sir:

This is to advise you that your Esmond No. 1 in Unit A of Section 33, T-23-S, R-36-E, Jalmat pool is being reclassified as a gas well due to an excessive gas-oil ratio. If you wish to include both the Esmond Nos. 1 and 2 on the same 160 acre unit, it will be necessary for you to obtain administrative approval. Or you may wish to apply for a reduction of acreage to be dedicated to the No. 2 well and another non-standard unit for the No. 1 well.

Yours very truly,

OIL CONSERVATION COMMISSION
