Attention of Mr. Randall Montgomery

Gentlemen:

On August 28, 1956, we filed two copies of Form C-122 on our Meyer B-33 No. 1, Unit M, Section 33, Township 22 South, Range 36 East.

We neglected to note in the "Remarks" section that we were requesting a full 160-acre allowable for this well as a result of the work-over which was completed August 23, 1956, for a calculated open flow potential of 5,090 MCF gas per day.

Prior to the work-over this was a marginal well.

Yours very truly,
