17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1403.

Uncovered all Bradenheads and valves below ground level. All below ground valves were opened and connected to a valve above ground level. Surface-production annulus valves were marked with the abbreviation; SURF. The production-tbg annulus valves were marked with the abbreviation cgs. Abbreviations were stamped on the top wrench-hex of the above ground valves. All above ground valves were adapted for a pressure gauge.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
