that the Oil Conservation Commission issue an exception to its No-Flare Order R-553 with respect to a casinghead gas volume of approximately 85 MCF per day from the J. F. Janda "I" Lease, Well No. 3. It is desired that such an exception be granted for an indefinite period pending contractual negotiations and the completion of facilities required to gather the gas.

Yours very truly,

E. HOSFORD

Oil Conservation Commission

that the Oil Conservation Commission (OCC) has been established in the New Mexico
Order 8-512 with respect to a campaign for a referendum on the subject of
84 MCF per day from the 2.1. 1960. It is noted that such an exception is
contractual negotiations and the completion of facilities required to
either the gas.
