New Mexico Oil Conservation Commission  
Box 871  
Santa Fe, New Mexico

Gentlemen:

It is respectfully requested that an exception to commission order number R-520 be granted for the following wells:

Albert Gackle, Operator  
Sinclair State #5  
330' F.N.L. 1980' F.E.L.  
S3, T23S, R36E  
Lea County, New Mexico

Albert Gackle, Operator  
Sinclair State #6  
660' F.N.L. 2310' F.W.L.  
S3, T23S, R36E  
Lea County, New Mexico

A bonafide effort has been made to obtain a casinghead gas connection for these wells.

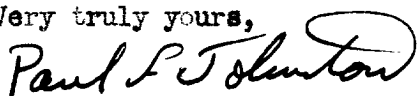

The nearest casinghead gas gathering line is approximately four miles north of these two wells.

The tank battery serving these two wells is located approximately 990' F.N.L.; 660' F.W.L. of S3, T23S, R36E.

The G.O.R.'s are as follows:

|         |        |        |        |
|---------|--------|--------|--------|
| Well #5 | 9-1-57 | G.O.R. | 2600-1 |
| Well #6 | 9-3-57 | G.O.R. | 2410-1 |

A plat showing the location of the wells and tank battery is attached.

Very truly yours,  
  
Paul S. Johnston  
Superintendent of Production
