Jalmat T-Y-SR Gas Pool -- NSP-605-A

Gentlemen:

We have received approval of a 120-ac gas proration unit for the above-referenced well. This well has been shutin for a number of years and it our understanding that this well has been returned to production.

In order that we may get an allowable reinstated, please file a gas/oil ratio test on Form C-116. As soon as this has been received your allowable will be assigned.

Very truly yours,

OIL CONSERVATION DIVISION
