Dear Mr. Campbell:

We are returning Form C-102 on which is outlined your intention to re-enter the well which was formerly designated as T. F. Hodge Christmas "B" No. 1 in Unit C of Section 6, T-23-S, R-36-E.

Since this is a plugged and abandoned well it will be necessary for you to submit this notice of intention to re-enter on Form C-101 accompanied by Form C-128. It will not be necessary for you to have the surveyor's signature on the plat; you may type in the name of the surveyor and the date surveyed.

Yours very truly,

OIL CONSERVATION COMMISSION
