Re: Intention to Recomplete to Jalmat
State A A/c-3A Well #4-B
Sec. 10, T23S, R36E

Gentlemen:

We have this date approved your intention to recomplete the above-referenced well from the Langlie Mattix pool to the Jalmat Pool as a proposed gas well on an established 320-acre proration unit consisting of the E/2 of Section 10.

The location of this well (660/N & 2310/E) is unorthodox for this proration unit and the approval of this unorthodox location must be obtained from our Santa Fe office before the well can be produced.

Please submit your application immediately.

Very truly yours,

OIL CONSERVATION DIVISION
