Unit P, Sec. 11, T23S, R36E

Gentlemen:

In March 1991 you abandoned the Langlie Mattix zone in the above-referenced well and perforated the Jalmat zone. As of this date we have received no completion reports for the Jalmat.

Please file completion reports, a C-104 for allowable, or C-103 intent to TA or plug.

Very truly yours,

OIL CONSERVATION DIVISION
