Re: Texas Pacific Coal & Oil Company State New Mexico "A"
Well #16 660' from the North & East Line Section
1, T23S, R36E

Dear Sir:

I am writing with regard to your C-101 (Notice of Intention
to Drill) on the above captioned well, dated August 1, 1946,
and approved by Mr. Yarbrough August 6, 1946.

Could you recheck this C-101 to be sure it is shown to be in
the right section, on the ownership map in our office here we
show the NE/4 of Section 1, Township 23, Range 36, to be
owned by B. L. King.

Would you please verify you location so that we may be sure
of the right location, before entering it in our well file.

Very truly yours,

OIL CONSERVATION COMMISSION

Roy O. Yarbrough

Re: Texas Pacific Coal & Oil Company State New Mexico "A"
Well 880' from the North & East line Section
1, T23S, R36E

Dear Sir:

I am writing with regard to your G-101 (Notice of Intention
to Drill) on the above captioned well, dated August 1, 1946,
and approved by Mr. Yarborough August 6, 1946.

Could you check this G-101 to be sure it is shown to be in
the right section, on the ownership map in our office here we
show the NW 1/4 of Section 1, Township 23, Range 36, to be
owned by B. L. Kirk.

Would you please verify your location so that we may be sure
of the right location, before entering it in our well file.

Very truly yours,

OIL CONSERVATION COMMISSION

Ray O. Yarborough
