Gentlemen:

We have your letter of September 24th, relative to discrepancy in various reports on the King Well in Section 12, Township 23S, Range 36E, Lea County, New Mexico.

Your are correct in assuming that these reports all cover one and the same well and I am attaching hereto corrected notice of completion, showing well to be located as is actually the case. This well will be known as R. G. Clay, et al - E. F. King Well No. 1, so you may disregard the designation as the Magnolia-King as was contained in notice of intention to drill.

Thanking you very much for calling my attention to this mistake, I am

Very truly yours,

R. G. Clay
