Re: State A A/c-1 Well #73-C
Jalmat T-Y-SR Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test the above- referenced well will be reclassified from an oil well to a gas well in the Jalmat Pool effective September 1, 1990.

The reclassification of this well as a gas well will eliminate the need to have the 320-acre proration unit (N/2 Sec. 23) approved by R-9073 reduced.

Please file a revised plat for all wells on this proration unit, showing (#26-G, #27-F, #98-B, 105-H and #73-C) Also, this well will need to be reported in the Jalmat gas section on future C-115 reports.

If you have any questions, please call Evelyn Downs at (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
