

DUPLICATE

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

HOBBS OFFICE

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF	13-3/8"	REPORT ON DEEPENING WELL

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the financial aspects of the organization. It provides a detailed breakdown of the budget, including income, expenses, and the resulting surplus or deficit. This section also discusses the various financial risks and the strategies used to mitigate them, ensuring the financial stability of the organization.

3. The third part of the document addresses the operational aspects of the organization. It describes the various departments and their functions, as well as the processes used to manage the organization's resources. This section also discusses the various challenges faced by the organization and the strategies used to overcome them, ensuring the efficient and effective operation of the organization.

4. The fourth part of the document discusses the legal and regulatory aspects of the organization. It outlines the various laws and regulations that apply to the organization and the steps taken to ensure compliance. This section also discusses the various legal risks and the strategies used to mitigate them, ensuring the legal integrity of the organization.

5. The fifth part of the document discusses the human resources aspects of the organization. It describes the various roles and responsibilities of the organization's staff, as well as the processes used to recruit, train, and manage them. This section also discusses the various challenges faced by the organization in terms of human resources and the strategies used to overcome them, ensuring the organization has the right people in the right places.

6. The sixth part of the document discusses the environmental and social aspects of the organization. It outlines the organization's commitment to environmental sustainability and social responsibility, as well as the various initiatives used to achieve these goals. This section also discusses the various challenges faced by the organization in terms of environmental and social issues and the strategies used to overcome them, ensuring the organization's long-term sustainability.

7. The seventh part of the document discusses the overall performance of the organization. It provides a summary of the organization's achievements and challenges over the past year, as well as the strategies used to improve performance. This section also discusses the various factors that have contributed to the organization's success and the steps taken to ensure continued growth and development.

8. The eighth part of the document discusses the future of the organization. It outlines the organization's vision and mission, as well as the various strategies used to achieve these goals. This section also discusses the various challenges faced by the organization in the future and the strategies used to overcome them, ensuring the organization's long-term success.

9. The ninth part of the document discusses the various stakeholders of the organization. It describes the various groups and individuals who have an interest in the organization and the steps taken to engage them. This section also discusses the various challenges faced by the organization in terms of stakeholder engagement and the strategies used to overcome them, ensuring the organization's transparency and accountability.

10. The tenth part of the document discusses the various risks faced by the organization. It outlines the various types of risks, including financial, operational, legal, and environmental, and the steps taken to identify and mitigate them. This section also discusses the various challenges faced by the organization in terms of risk management and the strategies used to overcome them, ensuring the organization's resilience and sustainability.
