Gentlemen:

Since Commission Order No. R-4853 denied your application for dual completion for your Walter Lynch Wells Nos. 1-K and 3-M, both located in Section 1, T-22-S, R-37-E, Form C-104 covering the Drinkard zone in your Well No. 1 is being returned without approval.

Form C-105 will be retained for record and the Packer Leakage Test will be processed and an approved copy returned to you. We wish to call to your attention that it will be necessary for you to submit a Packer Leakage Test annually for this well.

Yours very truly,

OIL CONSERVATION COMMISSION
