APPROVED _____, 19

TITLE _____

This form is to be filed in compliance with RULE 1104.

If this is a new well, it must be drilled to a depth of at least 100 feet below the base of the producing formation. If this is a recompleting well, it must be drilled to a depth of at least 10 feet below the base of the producing formation.

All sections of this form must be filled out completely for allowable on new and recompleting wells.

Fill out Sections I, II, III, and VI only for changes of owner, well name or number, or transporter, or other such change of condition. If a well is completed in multiple sections, fill out a separate form for each pool in multiple completion.
