**Dear Karen :**

Here is the information you requested concerning our Paddock # 9 (A-3-22-37), located just southeast of Eunice. Production tubing is 2 3/8 EUE 8rd. We have 164 joints set at a total depth of 5,120'.

I apologize for this information being omitted from the form I submitted. Please call if there is any further information that I need to supply.

**Sincerely,**

**Marvin Burrows**
