POST OFFICE BOX 1980 HOBBS, NEW MEXICO 88240 (505) 393-6161

Gulf Oil Corporation P. O. Box 670 Hobbs, New Mexico 88240

Gentlemen:

Due to the gas-oil ratio tests submitted recently for your wells in the Tubb Oil & Gas Pool, the wells listed below will be reclassified as oil wells effective January 1, 1984, and the gas allowables will be cancelled that date. Please submit two copies of Form C-102 for each well outlining a 40 acre proration unit for the oil classification.

Naomi Keenum No. 2 Unit O Section 14, T-21-S, R-37-E

Mark No. 5 Unit A Section 3, T-22-S, R-37-E

Since the Mark No. 5 shares a 160 acre gas proration unit with Well No. 4, and since dual dedication of acreage to oil and gas is prohibited, it will be necessary to reduce the proration unit for Well No. 4. Please submit two copies of a revised Form C-102 reducing the acreage along with an application for a non-standard proration unit.

Yours very truly,

OIL CONSERVATION DIVISION
