

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELL

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Title

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it sets out the President's policy for the new year. The President states that he is pleased to see the Congress assembled, and that he is confident that the country is in a good position to meet the challenges of the future. He also mentions the recent election of Abraham Lincoln as President, and expresses his confidence in the new administration.

2. The second part of the document is a report from the Secretary of the Treasury, dated January 1, 1861. It provides a detailed account of the financial state of the country at the beginning of the year. The report states that the country is in a sound financial position, with a strong and stable currency. It also mentions the recent increase in the national debt, and expresses confidence that the country will be able to manage the debt effectively.

3. The third part of the document is a report from the Secretary of the Interior, dated January 1, 1861. It provides a detailed account of the state of the country's natural resources, including land, minerals, and wildlife. The report states that the country's natural resources are abundant and well-managed, and that the government is committed to protecting them for the benefit of future generations.

4. The fourth part of the document is a report from the Secretary of the Navy, dated January 1, 1861. It provides a detailed account of the state of the country's naval forces, including ships, personnel, and equipment. The report states that the country's naval forces are strong and well-equipped, and that the government is committed to maintaining them at a high level of readiness.

5. The fifth part of the document is a report from the Secretary of the War, dated January 1, 1861. It provides a detailed account of the state of the country's military forces, including soldiers, equipment, and supplies. The report states that the country's military forces are strong and well-equipped, and that the government is committed to maintaining them at a high level of readiness.

6. The sixth part of the document is a report from the Secretary of the State, dated January 1, 1861. It provides a detailed account of the country's foreign relations, including diplomatic efforts and international agreements. The report states that the country's foreign relations are strong and well-managed, and that the government is committed to maintaining them at a high level of effectiveness.

7. The seventh part of the document is a report from the Secretary of the Education, dated January 1, 1861. It provides a detailed account of the state of the country's educational system, including schools, teachers, and students. The report states that the country's educational system is strong and well-managed, and that the government is committed to maintaining it at a high level of effectiveness.

8. The eighth part of the document is a report from the Secretary of the Agriculture, dated January 1, 1861. It provides a detailed account of the state of the country's agricultural sector, including crops, livestock, and land. The report states that the country's agricultural sector is strong and well-managed, and that the government is committed to maintaining it at a high level of effectiveness.

9. The ninth part of the document is a report from the Secretary of the Commerce, dated January 1, 1861. It provides a detailed account of the state of the country's commercial sector, including trade, industry, and transportation. The report states that the country's commercial sector is strong and well-managed, and that the government is committed to maintaining it at a high level of effectiveness.

10. The tenth part of the document is a report from the Secretary of the Finance, dated January 1, 1861. It provides a detailed account of the state of the country's financial sector, including banks, insurance, and investment. The report states that the country's financial sector is strong and well-managed, and that the government is committed to maintaining it at a high level of effectiveness.
