Santa Fe, New Mexico

NOTICE OF INTENTION TO DRILL (CORRECTED)

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

Hobbs, New Mexico Place March 11, 1947 Date

OIL CONSERVATION COMMISSION,
 Santa Fe, New Mexico

Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as _____

Stanolind Oil and Gas Company Owens Well No. 1 in NW 1/4
 Company or Operator Lease

of Sec. 5, T. 22, R. 37, N. M. P. M., Eunice Field, Lea County.

AREA 640 ACRES
 LOCATE WELL CORRECTLY

The well is 1980 feet [N.] [S.] of the N line and 660 feet

[E.] [W.] of the 3 line of section 5

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. _____ Assignment No. _____

If patented land the owner is Eva Owens

Address not available

If government land the permittee is _____

Address _____

The lessee is Stanolind Oil & Gas Company

Address Philcade Bldg., Tulsa Okla.

We propose to drill well with drilling equipment as follows: _____

Rotary Method

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: Bond now on file with Commission

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
15"	13" OD	46#	New	300	Cemented	Cemented to surf.
12 1/2"	9 5/8" OD	36#	New	1400	Cemented	With 575 sax
8 5/8"	7" OD	24#	New	3700'	Cemented	With 300 sax

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about 3850 feet.

Additional information:

We propose to drill with rotary tools to an approximate depth of 3900' unless oil or gas in commercial quantities is encountered at a lesser depth w/ casing program as outlined above. All work to be done in accordance with the best oil field procedure and in conformance with all oil & gas regulations of the State of New Mexico.

Approved _____ 19____
 except as follows:

Sincerely yours,

Stanolind Oil and Gas Company
 Company or Operator
 By Ralph L. Hendrickson

Position Field Supt.

Send communication regarding well to

Name Ralph L. Hendrickson

 Title State Oil & Gas Insp.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the various methods used to collect and analyze data, ensuring that the information is reliable and up-to-date.

2. The second part of the document focuses on the financial aspects of the organization. It provides a detailed overview of the budget, including the projected income and expenses for the upcoming year. This section also includes a breakdown of the current financial status, highlighting any areas of concern and the steps being taken to address them.

3. The third part of the document addresses the operational challenges faced by the organization. It discusses the various factors that can impact the efficiency of the operations, such as staffing levels, equipment maintenance, and supply chain issues. This section also outlines the strategies being implemented to overcome these challenges and improve the overall performance of the organization.

4. The fourth part of the document discusses the future plans and goals of the organization. It outlines the long-term vision and the specific objectives for the next five years. This section also includes a discussion of the resources needed to achieve these goals and the steps being taken to secure the necessary funding and support.

5. The fifth part of the document provides a summary of the key findings and recommendations. It highlights the main areas of concern and the steps being taken to address them. This section also includes a list of the key performance indicators (KPIs) that will be used to monitor the progress of the organization over time.

6. The sixth part of the document discusses the importance of communication and collaboration within the organization. It emphasizes that effective communication is essential for the success of any organization. This section also outlines the various methods used to facilitate communication and collaboration, such as regular meetings, email, and instant messaging.

7. The seventh part of the document discusses the importance of training and development for the organization's staff. It emphasizes that ongoing training and development are essential for the growth and success of the organization. This section also outlines the various methods used to provide training and development, such as workshops, seminars, and on-the-job training.

8. The eighth part of the document discusses the importance of risk management for the organization. It emphasizes that identifying and managing risks is essential for the long-term success of the organization. This section also outlines the various methods used to manage risks, such as risk assessments, insurance, and contingency planning.

9. The ninth part of the document discusses the importance of sustainability for the organization. It emphasizes that sustainable practices are essential for the long-term success of the organization. This section also outlines the various methods used to promote sustainability, such as energy conservation, recycling, and social responsibility.

10. The tenth part of the document provides a final summary and conclusion. It reiterates the key findings and recommendations and expresses confidence in the organization's ability to achieve its goals. This section also includes a list of the key stakeholders and their roles in the organization.
