**Attention: Mr. L. E. Thomas**

**Gentlemen:**

**Pursuant to our recent conversation, this is to advise that the recompletion information on your E. W. Walden No. 4 located in Section 15, T-22-S, R-37-E and Corrigan No. 5 located in Section 4, T-22-S, R-37-E indicates the wells to be gas wells in the Drinkard Oil Pool. These wells when connected will be classified as gas wells and will be carried as such in the Oil Proration Schedule.**

**I hope that this satisfactorily answers your inquiry and will be of some benefit in obtaining a gas connection.**

**Yours very truly,**

**OIL CONSERVATION COMMISSION**
