

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

Title

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the transparency and accountability of the organization. This section also outlines the specific procedures for recording and verifying financial data.

2. The second part of the document addresses the role of the audit committee in overseeing the financial reporting process. It details the committee's responsibilities, including reviewing the financial statements, assessing the effectiveness of internal controls, and ensuring compliance with applicable laws and regulations. The committee's findings and recommendations are presented in this section.

3. The third part of the document provides a detailed overview of the internal control system. It describes the various controls implemented to mitigate risks and ensure the integrity of the financial information. This includes controls over the revenue cycle, the procurement process, and the management of assets. The effectiveness of these controls is evaluated and reported in this section.

4. The fourth part of the document discusses the results of the internal audit. It presents the findings of the audit, highlighting areas of strength and areas for improvement. The audit also identified several key risks that require management's attention. This section concludes with a summary of the audit's conclusions and the recommendations for future actions.

5. The fifth part of the document provides a summary of the overall financial performance of the organization. It includes key financial ratios, trends, and comparisons to industry benchmarks. This section also discusses the impact of external factors on the organization's financial results and provides a forward-looking perspective on the company's financial outlook.

6. The sixth part of the document discusses the organization's compliance with applicable laws and regulations. It outlines the measures taken to ensure compliance and the results of the compliance monitoring activities. This section also addresses any regulatory changes that may affect the organization's operations and the steps taken to adapt to these changes.

7. The final part of the document provides a conclusion and a summary of the key findings. It reiterates the importance of maintaining high standards of financial reporting and internal control. The document also expresses confidence in the organization's ability to continue to improve its financial performance and maintain its commitment to transparency and accountability.
