(505) 393-6161

Shell Oil Company
P. O. Box 991
Houston, Texas 77001

Gentlemen:

Due to the recently submitted gas-oil ratio test for your Argo "A" Well No. 1 located in Unit D of Section 22, T-21-S, R-37-E, the well will be reclassified as an oil well in the Blinebry Oil & Gas Pool effective January 1, 1981, and the gas allowable will be cancelled that date.

The reported gas-oil ratios for the wells listed below indicate that they should be reclassified as gas wells in the Blinebry Pool and these reclassifications will also be made effective January 1. Please advise this office when you have complied with the provisions of Division Order No. R-1670-N pertaining to gas wells in the Blinebry Pool in order that gas allowables can be assigned.

Argo	No. 1	Unit M	Section 15, T-21-S, R-37-E
Rinewalt	No. 1	Unit F	Section 4, T-22-S, R-37-E

Yours very truly,

OIL CONSERVATION DIVISION
