17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was temporarily abandoned in April, 1953, by installing a swage nipple and a gate valve on casing.

Well will be retained in present status pending possible use in a secondary recovery operations.

No change in status since report filed in September, 1964.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
